

**Community service** is work done by a person or group of people that benefits others. It is often done near the area where you live, so your own **community** reaps the benefits of your work.

All third, fourth, fifth and sixth grade students are invited to participate in the Rosehill Community Service Club. The students will meet weekly on Mondays at 7:30 a.m. to give their time to work on projects for our community. There is no cost involved.

If you have questions, please email Mrs. Mann at [kimmann@smsd.org](mailto:kimmann@smsd.org). Thank you for your support and interest.
